Case No. 3:21-cv-01637-MO (Member Case)

Case No. 6:22-cv-01460-MO (Member Case)

The parties, party-intervenors, and amici continue to engage in discussions facilitated by
Magistrate Judge Beckerman. The parties believe that significant progress is being made on
identifying areas of conceptual agreement among the parties, intervenors, and amici. The parties

wish to continue to engage in that process in hopes of avoiding further litigation. This may involve proposing amendments to the Court's September remedial order and a new proposed remedial order. Given the number of stakeholders involved in these discussions, more time is necessary to allow this process to play out. Therefore, the parties jointly and respectfully request that the Court postpone the briefing deadlines currently set for April 25, 2023 until May 9, 2023. The parties can provide another joint status report on or before May 5 if the Court requires.

DATED this 18th day of April, 2023.
